FRIDAY, AUGUST 27, 1875.

HELD OR ADJOURNED The decision of this question is full of interest and full of importance to lieve the Convention would not adsuch an opinion than in the following | in below printed. article taken from an esteemed cotemporary the Shelby Aurora, Smile as

prominent. The Radicals, it is said, named allege, are pledged to adjourn immediately af-

er don't easily give it up. These as- the Board of Commissioners aforesaid. Radical delegation. These cornfield vention, from three to six dollars a votes. day. They need the mency. They delegate, received 1203 votes. no doubt, they have counted up their | 1198 votes. per diem-how much money they can save in this way : what a nice, cosy little home they can buy with it; how dresses and jewelry.

tle son, who must be sent to college, and a thousand other wheels that must stand locked until the per diem comes. There is a wheel within a wheel, you know, and the most important matter with these seedy sons of Africa is the shower of gold that is to fall from the Convention tree. So we for Delegates to said Convention to the that all the so-called Independent-Democrats side with the Radicals in deponent saith not.

## THE UNIVERSITY,

The Ashville Citizen says: We learn from various sources that the University will re-open under the most flattering auspices. The buildings have been refitted, the grounds received (with the exception of one cleaned up and the campus has assum- vote) the lowest number of votes cast | ter of a gifted tather ed its former smiling, cheerful aspects, The trustees have exhibited a commendable zeal and energy in pushing that Duncan Sinclair and C. A. Meforward the work, and it only remains | Eachin had been elected that the Plain for the professors elect to manifest a tiff Norment demanded that the said similar enthusiasm and show their fitness for their positions to ensure the tion precincts of Britts Blue Springs, success of the Inctitution, If through their short-comings the University fails of its aims, let them hang themselves to the trees in the campus; it is the best thing they could do. The spirit is abroad to leave nothing undone it is abroad to leave nothing undone that will give a forward impetus to the college. A President petus to the college. A President The plaintiffs allege as aforesaid Many of his secures and incidends and therefore is permit & (in is yet to be elected. If any suggestion upon the foregoing statement of facts beated in Washington Cary and are the fact of the college. of ours is worth anything, and in this that at said election for delegates matter we think it worth mue; we would recommend for the position of ty in said Convention and were enti-President, Hon. Kemp P. Battle of thea to have that result declared by Raleigh. From early life he has been the defendent upon their demand as A romance, New York, Harris A identified with the college as student, tutor, trustee, and now a secretary and treasurer of the Board. He is universally loved and respected for his abilities, public spirit and great excellence Plaintiffs have commenced a civil ac- his name. We only know that it is of character. Comparatively a young man, his energy and devotion to the chapter of Battles Revised by the is a companion for an idle successfully force to the force of the first way of the first second desire.
